RE: Butterworth Landfill, Grand Rapids, Michigan

Dear Mr. Oaks:

This is in response to the undated letter we received from Mr. Basil G. Constantelos regarding the Butterworth Landfill in Grand Rapids, Michigan. Although by its terms a response to the letter was due December 10, 1985, Ms. Babette Neuberger agreed in a telephone conversation with me to allow an extension to December 16, 1985.

Please be advised that we have no documentation of having sent any material to the Butterworth Landfill. I have interviewed the appropriate personnel and searched our records and could find no indication that we have sent any material to Butterworth Landfill.

We understand that you obtained your list of Potentially Responsible Parties (PRPs) at least in part from Waste Management, Inc. To the best of my knowledge and belief we did not do business with Waste Management prior to 1978.

Based on the foregoing, we request removal from the PRP list.

I hereby certify that the foregoing is true and accurate to the best of my knowledge and belief and that this is a complete response to the information request in the above referenced letter.
